

# Proposed 2023 Mule Deer Winter Range Combining Zone Index Map

The mule deer inventory update project proposes a new mule deer combining (or overlay) zone and a corresponding new code chapter to address uses in that zone. These maps display the boundaries of the proposed 2023 Mule Deer Winter Range Combining Zone. The proposed zone and its regulations will be separate from the existing Wildlife Area (WA) Combining Zone. For more details, please visit the project website at <https://www.deschutes.org/muledeer>.
