

## BOARD OF COMMISSIONERS

# AGENDA REQUEST & STAFF REPORT

**MEETING DATE:** January 5, 2026

**SUBJECT:** Discussion regarding process and timing of assigning Commissioner districts

**RECOMMENDED MOTION:**

N/A—discussion only.

**BACKGROUND AND POLICY IMPLICATIONS:**

The Board will hold public hearings on January 20<sup>th</sup> and January 21<sup>st</sup> regarding the draft Commissioner District Map recommended by the District Map Advisory Committee.

If approved, a District Map would assign one Commissioner position to each district. Because the current positions on the Commission are at-large, assigning the positions to districts could, potentially, assign current Commissioners to represent a district outside of their current residence.

Staff is seeking direction for possible assignment of Commissioner positions to each district prior to the January 20<sup>th</sup> and 21<sup>st</sup> public hearings. If assignment is to occur, formal action will be scheduled for the January 14<sup>th</sup> BOCC meeting.

**BUDGET IMPACTS:**

None

**ATTENDANCE:**
