2023-2025 JRI Victim Services Grant Program

<u>Deadline</u>	Applications must be received by email ON OR BEFORE July 24th, 2023 at 4:00 p.m. (Pacific time) by Trevor Stephens Adult Parole and Probation at Trevor.Stephens@deschutes.org . Applications will only be accepted by email and must be in Microsoft Word format.
<u>Questions</u>	Please send all questions by email to Trevor.Stephens@deschutes.org
<u>Grant Background</u>	<p>Deschutes County Community Justice is requesting applications in anticipation of a Justice Reinvestment Grant (JRP) award for the 2023-2025 biennium from the Oregon Criminal Justice Commission. We are preparing for the grant application that is due early September. This application will need to be approved by the Local Public Safety Coordinating Council before being submitted. As part of the grant application we anticipate that 10% of the funds we receive as a County are to be passed through to community-based Victim Services programs. In previous years awards were given to Saving Grace, KIDS Center, CASA of Central Oregon, and J Bar J.</p> <p>The estimated Victim Service Grant for the 2023-2025 biennium is \$160,000. We are inviting community-based Victim Services programs to apply for grant funds for the 23-25 biennium. The \$160,000 is an estimate and will likely change.</p> <p>The questions below are pulled from the Oregon Criminal Justice Commission Victim's Services application for the 23-25 grant cycle. Please complete all questions. By applying you understand that Deschutes County is not guaranteed any funding and if LPSCC selects your organization grant funds will be dependent on the County actually receiving the funds. The Victims Services organizations will only receive the portion awarded by LPSCC of actual grant funds received.</p> <p>This grant application is in anticipation of Deschutes County receiving JRI grant funds. If the county does not receive grant funds, no funding will be provided to the agencies selected through this process. Any applicant who applies and is awarded a grant may be asked to submit additional materials depending on any criteria changes made by the Oregon Criminal Justice Commission in the official JRI grant application.</p>

<p><u>Application Review Process</u></p>	<p>The grant applications will be reviewed by our Local Public Safety Coordinating Council (LPSCC) members, who will decide how to award anticipated funds. The LPSCC-recommended awardees will be included in the county's subsequent grant application and approval process by the CJC. The CJC makes the final decision on whether a recommended Victim Service agency/s meets grant requirements of the JRI grant.</p> <p>Each question below is assigned a number of points. The grant review subgroup will score each application and make a recommendation to award a single grant or up to four grants of different amounts.</p> <p>LPSCC will determine the amount for each agency as a percentage with the grand total of all Victim's Services awards totaling 10% of the total JRI award.</p>
<p><u>Award Amount and Payment Information</u></p>	<p>If awarded a Victim Services grant you will receive your first check sometime in February of 2024. The checks will be broken up based on CJC payment schedule.</p> <p>The County will not have a final award decision in terms of the grant application until November or December of 2023.</p> <p>We anticipate that the award amount for the 2-year period will be \$160,000 dollars. Your organization should anticipate the total grant amount available for Victim's Service to be around \$160,000. Please articulate how much of the \$160,000 you are requesting in the form of a percentage. For example if you are requesting \$40,000 the percentage would be 25%. The \$160,000 amount is an estimate and will likely change.</p> <p>The grant review subgroup will make a recommendation to LPSCC and ultimately LPSCC will determine what percentage of the Victims Services monies to award to each agency. LPSCC can decide to award all of the money to one agency or split the money up among a group of agencies as it has done in the past.</p>
<p><u>Reporting</u></p>	<p>Any agency who is selected for a Victims Services grant will be required to agree to any reporting requirement set forth by the CJC. In previous reporting years the Victims Services grant organizations have been required to submit yearly narrative reports regarding activity accomplished with grant funds. We anticipate that they will be very similar to reporting requirements in previous years, but if you have any questions or concerns about this please reach out to the Oregon Criminal Justice Commission before submitting your application.</p>
<p><u>Contract Information</u></p>	<p>Grant Title: 2023-2025 Deschutes County Justice Reinvestment Victim Services Grant</p> <p>Contract Type: Services Grant.</p> <p>Contract Term: If awarded, the term of the contract shall commence on July 1, 2023 and shall remain in effect until June 30, 2025, unless terminated, canceled or extended as otherwise provided herein.</p>

FREQUENTLY ASKED QUESTIONS

JUSTICE REINVESTMENT PROGRAM FUNDS – 10% FOR COMMUNITY-BASED VICTIM SERVICES

https://www.oregon.gov/cjc/justicereinvestment/Documents/Victims_10_FAQ.pdf

While much of the country has engaged in a Justice Reinvestment processes, Oregon is the first state to dedicate at least 10% of Justice Reinvestment funds to victim services programs. HB 3194 (2013) specifically stated that funding would be directed to community-based nonprofit victim services. This FAQ will answer questions you may have about that funding.

What are Community-based Nonprofit Victim Services Programs?

Community-based nonprofit victim services programs provide comprehensive services to victims, such as accessing safe emergency shelter, crisis counseling, court and medical accompaniment, safety planning, obtaining protective orders, and applying for benefits. Programs may also provide support groups, family support services, prevention classes, and assistance in returning to school and finding living wage jobs as well as safe and affordable housing.

Services are available before, during, and after a criminal case. Services are also available if the victim hasn't reported to law enforcement and if there is no criminal case at all.

Community-based Victim Services

- Assist victims who report the crime as well as victims who do not
- Provide advocacy to help victims rebuild their lives (crisis line; emergency shelter; crisis counseling; safety planning; support groups; education and violence prevention; advocacy; assistance navigating criminal justice, civil justice, and human services processes)
- Services are focused on victim safety, empowerment, and restoration
- Services are available on an ongoing basis.

System-based Victim Services

- Assist victims whose cases are processed through the justice system
- Provides advocacy to help victims access their rights (information; notification of court proceedings; court accompaniment; assistance with victim impact statements, restitution, and applying for compensation)
- Services are focused on victim safety and access to justice system and case-specific information
- Services are typically limited to the duration of the criminal justice process

What are examples of community-based victim services?

Community-based victim services should have serving victims of crime as part of their mission statement. Examples of community-based nonprofit victim services programs include domestic and sexual violence services programs, services for murder victim family members, assistance for victims of DUII-related crashes, services for child victims, and restorative justice programs (if appropriate).

Is the 10% tied to the Justice Reinvestment population?

No. Crime victims served through the 10% are not expected to be tied to—or the victims of—individuals who are part of the HB 3194 population or are being served through Justice Reinvestment. This is an opportunity to provide innovative services to underserved crime victims in your community.

Can system-based victim services programs receive funding through the 10%?

No, but system-based victim services programs can receive funding through the other 90% of their county's Justice Reinvestment award.

How are applications for the 10% evaluated?

Each grant application will be evaluated based on the following (*JR Grant Rules 213-060-0060(6)*):

- Demonstrated need for the proposed services in the community to be served by the applicant with emphasis on services that target marginalized, underserved populations.
- Services address access barriers, such as but not limited to: language, literacy, disability, cultural practices and transportation issues.
- Funding increases capacity for areas where services are difficult to access, limited or non-existent.
- Demonstration that the award will be invested in trauma-informed services.
- Data collection, including but not limited to, demographic information of victims served.

How do I find a community-based nonprofit victim services program that serves my county?

Many community-based nonprofit victim services programs serve multiple counties. The following statewide organizations can help you get in touch with your local programs:
