

## BOARD OF COMMISSIONERS

# AGENDA REQUEST & STAFF REPORT

**MEETING DATE:** November 29, 2023

**SUBJECT:** Ordinance No. 2023-023 amending Deschutes County Code relating to the composition of the Historic Landmarks Commission

**RECOMMENDED MOTION:**

Move to conduct first and second reading by title only and adoption by emergency of Ordinance No. 2023-023.

**BACKGROUND AND POLICY IMPLICATIONS:**

This ordinance would amend Chapter 28 of Title 2 of Deschutes County Code to remove a reference to the Deschutes County Pioneer Association in language concerning the composition of the County's Historic Landmarks Commission. The Pioneer Association is no longer a standalone not-for-profit Oregon entity, and as such the requirement that it be specifically represented on the Historic Landmarks Commission is no longer applicable.

Originally, the amendments under consideration also included language that would allow the Board to suspend the Historic Landmarks Commission when deemed necessary; however, that portion of the amendments has been removed.

**BUDGET IMPACTS:**

None

**ATTENDANCE:**
