	**The Division of Medical Assistance Programs (DMAP), a branch of the Oregon Department of Human Services, permits cost driven fee adjustments that are based upon a DMAP approved actuarial model completed in accordance with that model. The model used for this adjustment has been approved by DMAP. <b>The department will charge DMAP or the approved fee model, whichever may be higher.</b>				
	<b>Note: There may be some variation in charges based on different programs and whether services are performed in the clinic or out of the clinic. Additionally, most fees are based on sliding scale according to Federal Poverty income guidelines.</b>
