Upon expiration of the Cooperative Law Enforcement Agreement, funds not spent will be deobligated.
- D. This agreement has no effect upon Cooperator's right to exercise civil and criminal jurisdiction on NFS lands nor does this agreement have any effect upon the responsibility of the U.S. Forest Service for the enforcement of federal laws and regulations relative to NFS lands.
- E. Any Operating Plan added to this agreement will be jointly prepared and agreed to by the parties. The Operating Plan shall at a minimum contain:
1. Specific language stating that the Operating Plan is being added to this agreement thereby subjecting it to the terms of this agreement.
 2. Specific beginning and ending dates.

3. Bilateral execution prior to any purchase or the performance of any work for which reimbursement is to be made.
 4. Specify any training, equipment purchases, and enforcement activities to be provided and agreed rates for reimbursement including the maximum total amount(s) for reimbursement.
 5. An estimate of the useful life of any equipment purchased under this agreement as required by Provision IV-K.

 7. Designation of specific individuals and alternate(s) to make or receive requests for enforcement activities under this agreement.
 8. A review and signature of a U.S. Forest Service Agreements Coordinator.
- F. Nothing in this agreement obligates either party to accept or offer any Operating Plan under this agreement.
- G. The officers/agents of Cooperator performing law enforcement activities under this agreement are, and shall remain, under the supervision, authority, and responsibility of Cooperator. Law enforcement provided by Cooperator and its employees shall not be considered as coming within the scope of federal employment and none of the benefits of federal employment shall be conferred under this agreement.
- H. MINIMUM WAGE AND PAID SICK LEAVE REQUIREMENTS. Executive Order 14026, Increasing the Minimum Wage for Federal Contractors, and its implementing regulations, including the federal contractor minimum wage clause at 29 CFR Part 23, Appendix A, and Executive Order 13706, Establishing Paid Sick Leave for Federal Contractors, and its implementing regulations, including the federal contractor paid sick leave clause at 29 CFR Part 13, Appendix A, apply to the Cooperator and any subcontractors under this agreement. These regulatory requirements are incorporated by reference into this agreement as if fully set forth in this agreement.
- I. Federal Communication Commission procedures will be followed when operating radio(s) on either party's frequency.
- J. Cooperator's reimbursable expenses must be: listed in an approved Operating Plan; expended in connection with activities on NFS lands; and expenses beyond those which are normally able to provide.
- K. During extraordinary situations such as, but not limited to: fire emergency, drug enforcement activities, or certain group gatherings, the U.S. Forest Service may request to provide additional special enforcement activities. The U.S. Forest Service

will reimburse Cooperator for only the additional activities requested and not for activities that are regularly performed by Cooperator.

- L. Reimbursement may include the costs incurred by Cooperator in equipping or training its officers/agents to perform the additional law enforcement activities authorized by this agreement. Unless specified otherwise in the Operating Plan, reimbursement for equipment and training will be limited to a pro rata share based on the percentage of time an officer/agent spends or equipment is used under this agreement.
- M. When reimbursement for items such as radios, radar equipment, and boats is being contemplated, reimbursement for leasing of such equipment should be considered. If the U.S. Forest Service's equipment purchases are approved in the Operating Plan, an estimate of the useful life of such equipment shall be included. When purchased, equipment use rates shall include only operation and maintenance costs and will exclude depreciation and replacement costs. Whether Cooperator is reimbursed for lease/purchase costs, or the U.S. Forest Service purchases and transfers the equipment, the total cost for the equipment cannot exceed the major portion of the total cost of the Operating Plan unless approved by all parties in the agreement and shown in the Operating Plan.
- N. When the U.S. Forest Service provides equipment, the transfer shall be documented on an approved property transfer form (AD-107) or equivalent. Title shall remain with the U.S. Forest Service, however; Cooperator shall ensure adequate safeguards and controls exist to protect loss or theft. Cooperator shall be financially responsible for any loss at original acquisition cost less depreciation at the termination of the agreement. Cooperator is responsible for all operating and maintenance costs for equipment that the U.S. Forest Service has reimbursed Cooperator for and/or transferred to Cooperator under the AD-107 process or equivalent.
- O. Equipment and supplies approved for purchase under this agreement are available only for use as authorized. The U.S. Forest Service reserves the right to transfer title to the U.S. Forest Service of equipment and supplies, with a current per-unit fair market value in excess of \$10,000.00, purchased by Cooperator using any Federal funding. Upon expiration of this agreement Cooperator shall forward an equipment and supply inventory to the U.S. Forest Service, listing all equipment purchased throughout the life of the project and unused supplies. The U.S. Forest Service will issue disposition instructions within 120 calendar days, in accordance with equipment regulations contained in 7 CFR 3016.32.
- P. When no equipment or supplies are approved for purchase under an Operating Plan, U.S. Forest Service funding under this agreement is not available for reimbursement of Cooperator's purchase of equipment or supplies.
- Q. When State conservation agencies have the responsibility for public protection in addition to their normal enforcement responsibility, their public protection

enforcement activities may be included in Operating Plans and are then eligible for reimbursement. Reimbursement is not authorized to State Conservation Agencies for enforcement of fish and game laws in connection with activities on NFS lands.

- R. Pursuant to 31 U.S.C. 3716 and 7 CFR, Part 3, Subpart B, any funds paid to Cooperator in excess of the amount to which Cooperator is finally determined to be entitled under the terms and conditions of the award constitute a debt to the federal Government. If not paid within a reasonable period after the demand for payment, the Federal awarding agency may reduce the debt by:

1. Making an administrative offset against other requests for reimbursements.
2. Withholding advance payments otherwise due to Cooperator.
3. Taking other action permitted by statute.

Except as otherwise provided by law, the Federal awarding agency shall charge interest on an overdue debt in accordance with 4 CFR, Chapter II "Federal Claims Collection Standards" and 31 U.S.C. Chapter 37.

- S. Modifications within the scope of the agreement shall be made by mutual consent of the parties, by the issuance of a written modification, signed and dated by both parties, prior to any changes being performed. The U.S. Forest Service is not obligated to fund any changes not properly approved in advance.
- T. Either party, in writing, may terminate this agreement in whole, or in part, at any time before the date of expiration. Neither party shall incur any new obligations for the terminated portion of this agreement after the effective date and shall cancel as many obligations as is possible. Full credit shall be allowed for each party's expenses and all noncancelable obligations properly incurred up to the effective date of termination.
- U. PROHIBITION AGAINST INTERNAL CONFIDENTIAL AGREEMENTS. All non federal government entities working on this agreement will adhere to the below provisions found in the Consolidated Appropriations Act, 2016, Pub. L. 114-113, relating to reporting fraud, waste and abuse to authorities:
- (a) The recipient may not require its employees, contractors, or subrecipients seeking to report fraud, waste, or abuse to sign or comply with internal confidentiality agreements or statements prohibiting or otherwise restricting them from lawfully reporting that waste, fraud, or abuse to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information.

- (b) The recipient must notify its employees, contractors, or subrecipients that the prohibitions and restrictions of any internal confidentiality agreements inconsistent with paragraph (a) of this award provision are no longer in effect.
 - (c) The prohibition in paragraph (a) of this award provision does not contravene requirements applicable to any other form issued by a Federal department or agency governing the nondisclosure of classified information.
 - (d) If the Government determines that the recipient is not in compliance with this award provision, it:
 - (1) Will prohibit the recipient's use of funds under this award, in accordance with sections 743, 744 of Division E of the Consolidated Appropriations Act, 2016, (Pub. L. 114-113) or any successor provision of law; and
 - (2) May pursue other remedies available for the recipient's material failure to comply with award terms and conditions.
- V. Federal wage provisions (Davis-Bacon or Service Contract Act) are applicable to any contract developed and awarded under this agreement where all or part of the funding is provided with Federal funds. Davis-Bacon wage rates apply on all public works contracts in excess of \$2,000 and Service Contract Act wage provisions apply to service contracts in excess of \$2,500. The U.S. Forest Service will award contracts in all situations where their contribution exceeds 50 percent of the cost of the contract. If Cooperator is approved to issue a contract, it shall be awarded on a competitive basis.
- W. This agreement in no way restricts the U.S. Forest Service or Cooperator from participating in similar activities with other public or private agencies, organizations, and individuals.
- X. In accordance with Executive Order (EO) 13513, "Federal Leadership on Reducing Text Messaging While Driving," any and all text messaging by Federal employees is banned: a) while driving a Government owned vehicle (GOV) or driving a privately owned vehicle (POV) while on official Government business; or b) using any electronic equipment supplied by the Government when driving any vehicle at any time. All cooperators, their employees, volunteers, and contractors are encouraged to adopt and enforce policies that ban text messaging when driving company owned, leased or rented vehicles, POVs or GOVs when driving while on official Government business or when performing any work for or on behalf of the Government.

- Y. Any information furnished to the U.S. Forest Service under this agreement is subject to the Freedom of Information Act (5 U.S.C. 552).
- Z. This agreement is executed as of the date of the last signature and, unless sooner terminated, shall be effective for a period of five years through 12/31/2029.

Addendum A

U.S. Forest Service Fire Emergency Language & Billing Protocol Coop Law Enforcement Agreements / Operating & Financial Plan

Fire Emergencies:

During fire emergencies, the U.S. Forest Service will reimburse the County for actual costs incurred while the County is providing assistance requested by either the Agency Administrator or Incident Commander.

Reimbursement for personnel wages and services are based upon the information in the resource order and must identify the number of roadblocks, number of personnel required, hours and time frame required and must be ordered by the Incident Commander or Agency Administrator. A copy of the resource order generated for the request for assistance will be provided by the U.S. Forest Service dispatch to the County. It is critically important that the Incident Management Team, Agency Administrator, and the Sheriff /County Official agree to what emergency services are needed and listed in the Resource Order and Incident Action Plans for each day until this resource is no longer required.

Upon request of the Agency Administrator or Incident Commander, a County designated Liaison(s) to the fire incident(s) may be established. The liaison will be requested via an incident resource order. The liaison(s) primary duties, on behalf of the County Sheriff, will be to attend public meetings, planning and Incident Command meetings. Eligible costs for reimbursement will include personnel time.
