

BOARD OF COMMISSIONERS

AGENDA REQUEST & STAFF REPORT

MEETING DATE: October 6, 2021

SUBJECT: Order #2021-043 Deschutes County Sheriff's Office Order Requesting Declaration of Certain Deschutes County Personal Property Surplus and Authorizing Sale

RECOMMENDED MOTION:

Move approval of Order.

BACKGROUND AND POLICY IMPLICATIONS:

This is an Order to declare certain Sheriff's Office vehicles that have reached end of life, as surplus property and request for the approval to disposition these vehicles through public auction. Since 2008, the Sheriff's Office has used web-based services to auction our surplus property, such as vehicles. Deschutes County Code 2.37.110 (Disposal of County Surplus Personal Property) enables the Sheriff's Office to disposition surplus property through online auction that would otherwise continue to depreciate.

BUDGET IMPACTS:

The Sheriff's Office uses GovDeals.com for our online auctions of surplus vehicles. From November 2016 through June 2020, we have sold 68 vehicles and have brought in a total of \$199,224.40. All administrative fees and sales fees are paid by the purchaser through GovDeals, leaving no fees for the Sheriff's office to pay for the service.

ATTENDANCE:

Peter Martin, Automotive Supervisor, Deschutes County Sheriff's Office
