AGENDA REQUEST & STAFF REPORT

MEETING DATE: November 21, 2022

SUBJECT: Authorize the requisition of computer servers and operating system software licenses for the Deschutes County Information Technology department using State of Oregon pricing agreement membership

RECOMMENDED MOTION:

Move to authorize the requisition of computers servers and software licenses for the Deschutes County Information Technology Department.

BACKGROUND AND POLICY IMPLICATIONS:

Computer servers are used for central processing and storage of electronic data produced and maintained by County employees. The operational life of these computers is five years, and replacement computer servers are needed for computers that have reached the end of their operational life cycle. The purchase will be made using the State of Oregon's affiliate membership with the Dell Computer MEHC-04152022 Master Agreement.

BUDGET IMPACTS:

The Information Technology Department budgets for the maintenance and life cycle hardware replacements in the IT Reserve, Fund 661. Funds for this purchase were appropriated in Fund 661 for Fiscal Year 2023.

ATTENDANCE:

Kevin Furlong, Technology Manager
