Project Description:

The purposes of CJC’s Behavioral Health Deflection Program include:

- Addressing the need for more deflection programs to assist individuals whose behavioral health conditions, including substance use disorder, lead to interactions with law enforcement, incarceration, conviction and other engagement with the criminal justice system; and

- Tracking and reporting data concerning deflection program outcomes in order to determine the best practices for deflection programs in Oregon.

The Grant has been awarded as an operational grant and requires the Recipient to:

- Have a program coordinator responsible for the duties outlined in HB 4002, Section 76(5)(b);
- Involve the partners described in HB 4002, Section 76(4)(c); and
- Comply with the CJC's data tracking and reporting requirements.

Recipient shall use Grant funds to support the following program(s), its adherence to the requirements set forth in HB 4002, and its efforts toward the goals stated above: Deflection program following an officer intervention model.
