BACKGROUND AND POLICY IMPLICATIONS:

Prior to October 15th of every year, the Board of County Commissioners appoints residents to the Property Value Appeals Board member pools for the upcoming session. Below is an outline of the process:

- The Board of County Commissioners must appoint two pools of county residents from which the county clerk will select the members of the Property Value Appeals Board.
- The pools from which the members are selected must be appointed on or before October 15. The appointee terms are for two years, with each session ending June 30th.
- The pools shall consist of the following persons who are eligible to serve on the boards.
 1. A pool of members of the county governing body or nonoffice-holding county residents to serve in their place. This pool may be referred to as the "Chairperson's Pool."
 2. A "Nonoffice Holding Pool" consisting of residents of the county who are not employees of the county or of any taxing district within the county.

The order of the Board of County Commissioners which appoints the pools must be in writing and contain the following information:

1. The names, addresses, and phone numbers of the persons appointed to the pools.
2. A brief description of training either already taken or that will be completed before any term as a board member begins.
3. The pool or pools to which the person is appointed.

4. The date when the order becomes effective.

An appointee may be appointed to both the “Chairperson’s Pool” and the “Nonoffice-Holding Pool” if they qualify.
