

## BOARD OF COMMISSIONERS

# AGENDA REQUEST & STAFF REPORT

**MEETING DATE:** January 10, 2024

**SUBJECT:** Approval of County Administrator signature of revised County Policy No. GA-9, Consumer Identity Theft Protection

**RECOMMENDED MOTION:**

Move approval of County Administrator signature of revised County Policy No. GA-9, Consumer Identity Theft Protection.

**BACKGROUND AND POLICY IMPLICATIONS:**

County Policy GA-9, Consumer Identity Theft Protection was originally drafted in 2008 and has not been updated since it was originally approved.

While completing the Personal Information Data Privacy Audit (#23/24-12), County Internal Auditor David Givans noted that the Oregon Consumer Information Protection Act was amended in 2019 and that County policy GA-9 should be updated to align policy language with those changes. The amendment changed the title of the state's data protection law to the "Oregon Consumer Information Protection Act" and also expanded the scope of the law, updating the types of information considered personal information and mandating vendor notification of breaches.

The proposed policy changes to County Policy GA-9 align the County's policy language with the amendments made to the Oregon Consumer Identity Theft Protection Act.

**BUDGET IMPACTS:**

None.

**ATTENDANCE:**

Whitney Hale, Deputy County Administrator
