**Re: Professional Services – City of Diamondhead Bank Stabilization Project**

Dear Mr. McCraw:

Enclosed, for your review and approval, is a copy of Invoice #16175.08-63 services through 6/30/2023 for the referenced project.

To date, we have completed all the field work for the topographic survey including obtaining LiDAR. Currently, drafting on the existing conditions is approximately 80% complete and expected to be completed in the next 2 weeks.

Additionally, the existing boundary survey has been performed in the following areas:

- Between Kailua Place and Diamondhead Drive East with portions of Hana Court, Hana Place and Anahola Place.
- Between Kalipekona Way and Diamondhead Drive North with portions near Apelehama Road and Kalipekona Court.

Next steps will be finalizing the existing conditions from the topographic survey, finalizing the existing boundary survey. Once the surveys are finalized, preliminary design will be prepared for determining property acquisition.

---

We appreciate the opportunity to provide these services to the City of Diamondhead. If you have any questions on the attached invoice, please contact me at 228-396-0486.

Sincerely,

**COVINGTON CIVIL & ENVIRONMENTAL, LLC**
