Police/Security Detail Policy

Purpose

This Policy is intended to provide guidance on the fiscal responsibility for police detail and security detail either requested by or through the City of Diamondhead "the City".

Scope

This Policy applies to all detail and security services provided by Hancock County Sheriff Office Deputies and other personnel assigned to the Diamondhead Division at events sponsored by or authorized by the City and/or held upon properties under the jurisdiction of or owned by the City.

Application of Other Policies

This policy shall be applied in manner consistent with the terms and conditions outlined in the Interlocal Agreement entered into between the City and the Hancock County Sheriff's Office.

Policy

The City of Diamondhead will be responsible for detail/security compensation for officers assigned to the following city-hosted and/or city-supported events:

Christmas Event	National Night Out
Festival/BBQ Contest	Kayak Event
Mardi Gras Parade	Veterans Day Parade
CTC Blessing of the Classics	Memorial Day Celebration
Da Feet Hunger 5K/1 Mile Fun Run	Lions Club – Walk For Sight
Trunk-or Treat	Kids Fishing Rodeo
Memorial Day Celebration	

Request for city-funded detail/security services other than for the city-sponsored events specified in this policy shall be made to the City Manager and shall require approval by the governing authority prior to such event.

All payments for detail/security by the City of Diamondhead or other agency, group or individual shall be made in accordance with the terms set forth in the Interlocal Agreement between the City of Diamondhead and the Hancock County Sheriff's Office and in effect at the time of such event.

Detail/security services requested by other agencies, groups or individuals will be made to the Captain of the Diamondhead Police Department and will be the fiscal responsibility of the requesting agency, group or individual and payment for services shall be coordinated by and between the requestor and individual law enforcement officer providing such services.
