Michael Reso, City Manager  
City of Diamondhead  
5000 Diamondhead Circle  
Diamondhead, MS 39525

Dear Mr. Reso:

The Police Department has ten (10) Glocks that are no longer of use and should removed from inventory through disposal. I have consulted the Office of the State Auditor to determine the best and most appropriate method of firearm disposal. Based on the information received, it is my recommendation to declare the following as surplus equipment, establish an estimated value of \$200 each and dispose of through a private sale to a local Federal Firearms License (FFL) dealer in the amount of \$200 each and providing proper public notice of same all pursuant to MS Code §17-25-25.
