Trey McKnight

696 Aulena Pl., Diamondhead, MS 39525 | 228-216-0560 | mcknight.trey@gmail.com

PROFESSIONAL SUMMARY

Local government administrator with experience in public works, community beautification, ordinance enforcement and development, infrastructure, project management, budgeting, and public-space management. Experienced in working with elected officials, government agencies, contractors, businesses, and the public on community development, regulatory, and operational issues.

PROFESSIONAL EXPERIENCE

Harrison County Sand Beach Department — Director 2024–Present

- Direct operations and management of Harrison County's public beachfront.
- Manage departmental personnel, equipment, budgeting, purchasing, contracts, and capital projects.
- Enforce county ordinances governing activities and use of the public beach.
- Assist in developing and revising beach-related ordinances and policies based on operational needs, public use, safety, and long-term management considerations.
- Coordinate infrastructure, maintenance, environmental, landscaping, and public improvement projects.
- Work with elected officials, engineers, contractors, regulatory agencies, businesses, and members of the public.

Harrison County Beautification Commission — Director 2021–2023

- Directed county beautification initiatives focused on improving public spaces and community appearance.
- Oversaw landscaping, streetscape, beautification, and community improvement projects.
- Coordinated projects with county officials, contractors, vendors, and community partners.
- Managed departmental operations, projects, purchasing, personnel, and administrative responsibilities.
