Dear Councilmembers:

Re: Emergency Repairs Kolo Court

After the recent excessive rainfall, there is evidence of extreme ditch erosion on Kolo Court. This erosion has resulted in significant exposure to the sewer pipe and manhole. I have met on site with David Carden, DWSD General Manager, and we both were in agreement to immediately address the issue and proceed with the emergency ditch repairs near the sewer crossing. It was further agreed to equally share in the cost of the emergency repairs.

I am requesting approval of emergency repairs pursuant to MS Code §21-35-19 with DNA Underground, LLC for the installation of fill dirt, fabric, rip rap and re-seed the work area in the amount of \$4,212.50 representing 50% of the total project cost.

Thank you in advance for your consideration and approval in this matter.

Sincerely,
