RE: 2025-012 Canal Dredging Rebid – Engineer's Recommendation

Dear Mr. McCraw,

Bids were received for the 2025-012 Canal Dredging Rebid project on October 29, 2025. There were two (2) bids received. Attached is a certified bid tabulation indicating the breakdown of unit price of each bidder. The bids were reviewed for inclusion of appropriate bidding documents.

J.E. Talley Construction, Inc. was the apparent lowest and best bidder with a submitted base bid of \$3,277,820.00. Upon review of the bid, it is my opinion that the bid submitted by J.E. Talley Construction, Inc. will be sufficient to successfully complete this project to the satisfaction of the City of Diamondhead.

We have discussed with J.E. Talley Constructino, Inc. the project details and scope of work. They are fully aware of the project requirements and are comfortable with the schedule for completion of the project. I recommend awarding the base bid portion of the project to J.E. Talley Construction, Inc.

Please let me know if you have any questions regarding this matter.

Sincerely,

A handwritten signature in blue ink that reads "Jason Chiniche, P.E.".

Jason Chiniche, P.E.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is submitted for assistance in obtaining a copy of those regulations (13 CFR Part 145).
6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the ineligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

1. Bidder and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors, and assigns to pay to Owner upon default of Bidder the penal sum set forth on the face of this Bond. Payment of the penal sum is the extent of Bidder's and Surety's liability. Recovery of such penal sum under the terms of this Bond will be Owner's sole and exclusive remedy upon default of Bidder.
2. Default of Bidder occurs upon the failure of Bidder to deliver within the time required by the Bidding Documents (or any extension thereof agreed to in writing by Owner) the executed Agreement required by the Bidding Documents and any performance and payment bonds required by the Bidding Documents.
3. This obligation will be null and void if:
 - 3.1. Owner accepts Bidder's Bid and Bidder delivers within the time required by the Bidding Documents (or any extension thereof agreed to in writing by Owner) the executed Agreement required by the Bidding Documents and any performance and payment bonds required by the Bidding Documents, or
 - 3.2. All Bids are rejected by Owner, or
 - 3.3. Owner fails to issue a Notice of Award to Bidder within the time specified in the Bidding Documents (or any extension thereof agreed to in writing by Bidder and, if applicable, consented to by Surety when required by Paragraph 5 hereof).
4. Payment under this Bond will be due and payable upon default of Bidder and within 30 calendar days after receipt by Bidder and Surety of written notice of default from Owner, which notice will be given with reasonable promptness, identifying this Bond and the Project and including a statement of the amount due.
5. Surety waives notice of any and all defenses based on or arising out of any time extension to issue Notice of Award agreed to in writing by Owner and Bidder, provided that the total time for issuing Notice of Award including extensions does not in the aggregate exceed 120 days from the Bid due date without Surety's written consent.
6. No suit or action will be commenced under this Bond prior to 30 calendar days after the notice of default required in Paragraph 4 above is received by Bidder and Surety, and in no case later than one year after the Bid due date.
7. Any suit or action under this Bond will be commenced only in a court of competent jurisdiction located in the state in which the Project is located.
8. Notices required hereunder must be in writing and sent to Bidder and Surety at their respective addresses shown on the face of this Bond. Such notices may be sent by personal delivery, commercial courier, or by United States Postal Service registered or certified mail, return receipt requested, postage pre-paid, and will be deemed to be effective upon receipt by the party concerned.
9. Surety shall cause to be attached to this Bond a current and effective Power of Attorney evidencing the authority of the officer, agent, or representative who executed this Bond on behalf of Surety to execute, seal, and deliver such Bond and bind the Surety thereby.
10. This Bond is intended to conform to all applicable statutory requirements. Any applicable requirement of any applicable statute that has been omitted from this Bond will be deemed to be included herein as if set forth at length. If any provision of this Bond conflicts with any applicable statute, then the provision of said statute governs and the remainder of this Bond that is not in conflict therewith continues in full force and effect.
11. The term "Bid" as used herein includes a Bid, offer, or proposal as applicable.

E-Verify Employer Search

Use the E-Verify search tool to find employers who are currently enrolled in E-Verify. Your search will display the following information:

- **Employer name** – The name the employer used when they enrolled in E-Verify. This can be the business' legal name, a trade name, or an abbreviation.
- **Doing Business As (DBA) name** – The name an employer uses publicly. The public may see the DBA, but the employer may have used another name when they enrolled in E-Verify.
- **Account Status** – Indicates whether the account is currently enrolled or terminated.
- **Enrollment date** – The date the E-Verify Memorandum of Understanding is signed.
- **Termination Date** – The E-Verify Memorandum of Understanding termination date.
- **Workforce size** – Appears as long as the employer reported they have at least five employees.
- **Number of hiring sites** – The total number of locations where employers hire employees and where they complete Form I-9.
- **Hiring site locations** – The geographic location(s) of hiring sites, by state, reported by the employer.

Parameters:

① Frequency

USCIS updates the search tool daily at approximately 2 a.m. ET. Please email us at E-Verify@uscis.dhs.gov if you have questions about the data results.

② Accuracy

Employers report their own data at the time they enroll in E-Verify. The accuracy and completeness of the data depend on what was submitted by employers at the time of enrollment and as reported throughout the employer's relationship with E-Verify.

③ Data

The public may not recognize business names that employers use.

Example: An employer enrolls in E-Verify using only their business name (e.g., Baristas Incorporated), but the public may only recognize their DBA name (e.g., Coffee First). If a user searches for the DBA name (Coffee First), the search tool will not return results unless the employer provided the DBA name at enrollment.

If the search tool results include the name of a business that indicate an employer has more than one hiring site or business location, it does not necessarily mean that all of the hiring sites are enrolled in E-Verify. A hiring site is the location where the employer hires employees and completes Form I-9, Employment Eligibility Verification. Employers with multiple locations may choose which of their sites participate in E-Verify.

Example: A user may search for Candy Company and find a listing for Candy Company in the search tool. That does not mean every Candy Company store

across the United States is enrolled in E-Verify.
