It is recommended you apply for a static piece in order to maintain your request in an open status until an asset becomes available. \_\_\_\_\_ (Initial)

Depending upon the type of equipment available: demilitarization, radiological and release costs can exceed several thousand dollars. \_\_\_\_\_ (Initial)

This cost will be dependent upon the commercial carrier you hire to move the item for you and the distance from its current location to your display site. \_\_\_\_\_ (Initial)

Due to the distance combat equipment may have to be transported and associated costs, please identify the distance your organization is willing to consider for an offer (**check one**):

With-in State  With-in Region  No prohibition on distance

In the event that an offer for combat equipment is not made within a three year period from the date of this request or an offer is made and refused by the organization, the organization must reapply for qualification of combat material under this program. \_\_\_\_\_ (Initial)
