## City Manager's Report.

**CITY MANAGER REPORT**

November 04, 2025

1. Coon Branch – The project is 180 days with a current end date of December 13<sup>th</sup>. The contractor is back on schedule and will be completing the culvert installation this month.
2. Canal Dredging – The bids were opened and reviewed. The approval of the bid is on your agenda tonight. Once approved, we will submit to MDEQ for final review and acceptance.
3. Jourdan River Boardwalk – MDEQ has reviewed the plans and had additional comments for the engineers to update in the specifications. Also, an additional requirement was added. The engineers have modified the plans and MDEQ is reviewing them for approval.
4. Rotten Bayou Nature Trail – Public Works has started clearing the trail for the engineers to complete the surveying. Once we complete the survey, we will work on the lease from the Secretary of State and Purcell.
5. Dog Park – The project is out for bid. They are due on November 13<sup>th</sup>. Public Works will be completing the clearing the park area. CES has removed the debris from this area.
6. Hazard Mitigation Grant Program – The appraiser is completing the reports on the property acquisition project. As soon as I have the updated appraisals, I will submit them to MEMA.
7. Landscaping Project – The city had a follow up meeting with Keep Diamondhead Beautiful and their landscape architect to redefine the scope of the project. The city will work with Keep Diamondhead Beautiful to complete the architect's design.
8. Pelican Cove – Met with the engineer last week to finalize the design and timeline. The engineer will complete the updates and submit final plans next week.
9. Commercial District – I am requesting one additional piece of property tonight to finalize the roadway acquisition. The engineer is completing the final design and will be ready to advertise by January.
10. Bank Stabilization – **No Update this month.** The next step for this project will be to work on easement acquisition. Once complete, the engineers can finalize the design.
11. Fitness Park – **No Update this month.** Public Works will start the clearing of the property next to Ochsner Medical and the new multimodal trail. Once cleared, they will install the equipment provided by Ochsner.
12. MDOT Projects – **No Update this month.** The contractor installed the signage last week. Once the engineers update the drawings for the railing along the multimodal path, the contractor will be back out to install and complete the project.
13. Montjoy Creek – **No Update this month.** The MDMR is requiring an additional public notice comment period for adjacent property owners. This period will be 30 days for submission of comments.
