

**TASK ORDER REQUEST
CITY OF DIAMONDHEAD
Work Authorization #30 – Traffic Engineering**

Date: 6/21/2024

Task Order Number: 1

Task Order Name: DH Drive East/Golf Club Drive Intersection Study and Highpoint Signage Review

Description of Requested Work:

This task order will focus on two separate areas within the City.

- (1) Highpoint: The engineer will review existing signage in the Highpoint neighborhood and make recommendations on potential changes to the signage.
- (2) DH Drive East and Golf Club Intersection: The engineer will review the existing signage and traffic patterns at the intersection. The engineer will complete topographic surveying of the intersection for conceptual design purposes. The engineer will make short- and long-term recommendations as needed for this intersection. These recommendations will be included in a short letter report with conceptual drawings and cost estimates for use in seeking project funding.

Cost of Work: \$ 18,600

Estimated Date of Completion August 30, 2024

Engineer's Signature

Information to be provided by Owner: None
