Re: Advertisement for Engineers- amendment

At the July 6, 2021 Regular Meeting, approval was granted to advertise for Master Engineering Proposals along with engineering services for federally-funded projects, including but not limited to, to GOMESA and RESTORE.

During FY22 budget processed, discussion focused on the possibility of retaining a city engineer. This contracted engineer would be retained monthly and would provide guidance and oversight for drainage and other projects.

I am requesting to amend the advertisement to include a contracted City Engineer. This would allow selection of a City Engineer to be included with the aforementioned RFQ process should the council appropriate funding FY22 Budget.

Thank you in advance for your approval in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Michael Reso', is written over a faint, larger version of the signature.
