RE: Fire Rebate Funds

The City has received fire rebate funds totaling \$61,564.30. The funds are sent annually to the municipality by the Department of Insurance and can only be spent for fire department expenses. As you may recall, the City entered into the agreement on May 7, 2024 with Hancock County Board of Supervisors and the Diamondhead Fire Department for fire services.

It is my recommendation to approve distribution of \$61,564.30 to the Hancock County Board of Supervisors for qualified expenses specific to the Diamondhead Fire Department.

Thank you in advance for your approval in this matter.

Sincerely,

A handwritten signature in blue ink that reads 'Jeannie Klein'.
