RE: Hilo Way Master Drainage Improvements – Letter of Substantial Completion

The Work identified below has been reviewed and found, to the Engineer's best knowledge, information, and belief, to be substantially complete. Substantial Completion is the stage in the progress of the Work when the Work is sufficiently complete in accordance with the Contract Documents so that the Owner can occupy or utilize the space for its intended use. The date of the substantial completion of the project is established as **January 24, 2025**.

Project has been completed in its entirety with exception to the following punch list items listed below:

- Straw wattles to be removed in all areas of established grass (wattles may remain in areas where seed/sod has not yet taken)
- Clean invert downstream of pond at Maui Circle (Site B)
- Rip Rap ditch bank from pipe invert to hydrant at outfall to Hilo Way (Site B)

Outstanding items to follow: Summary Change Order and Final Pay Application (03).

Sincerely,

Ben Sellers, P.E.
