

**TASK ORDER REQUEST
CITY OF DIAMONDHEAD
Work Authorization #30 – Traffic Engineering**

Date: 7/29/2024

Task Order Number: 2

Task Order Name: DH Drive East/Golf Club Drive Intersection Stop Sign Warrant Study

Description of Requested Work:

This task order will focus on two separate areas within the City.

- (1) DH Drive East and Golf Club Intersection: The engineer will review the existing signage and perform a Stop Sign Warrant Study to determine the need for stop signs based on the Manual of Uniform Traffic Control Devices (MUTCD). The engineer will complete topographic surveying of the intersection for conceptual design purposes. The engineer will make short- and long-term recommendations as needed for this intersection. The deliverable will be a letter report with outlining the results of the Stop Sign Warrant Study.

Cost of Work: \$ 7,500

Estimated Date of Completion August 30, 2024
