RE: Diamondhead Park
Diamondhead, MS 39525

Michael:

Per your request and our recent conversations, we are pleased to provide you with a proposal for professional services for the above referenced project. This proposal is for full architectural & engineering services associated with a new Park in Diamondhead (See attached Site Plan). M | P will work with and coordinate with the City of Diamondhead on this project. M | P understands the city budget for this project is \$200,000 and will work to keep the project cost within budget. We have prepared a scope of work and fee proposal for your review. Please see below:

I. SCOPE OF WORK

Task 1 –Architectural & Engineering Services

a.) Architectural Services

M | P will provide architectural services for the above referenced project. The scope of the architectural services will be limited to a new entry “dog house” building with a single handicap accessible restroom.

M | P will provide a full construction estimate prior to construction to insure the City has the necessary funds available prior to public bidding.

b.) Civil Engineering Services

M | P will provide civil engineering services for the above referenced project. It is our understanding that a survey is being performed by others and will be provided as a basis for the design. The provided survey will include both boundary and topographic information. The civil design will include the following:

- Civil Site Layout
- Civil Utility Plans including water, sewer, drainage
- Civil Grading Plan
- Synthetic Turf Design/Layout

- Timber pier Design
- Parking Lot Design
- Design Specifications and Details

a) Electrical Engineering

Provide electrical design drawings to be used as construction documents. The scope of the electrical design will include: Parking lot lighting, convenience receptacles on site, and electrical design for building as required. It is assumed that the local utility provider will provide site lighting for the dog park.

Task 2: Bid and Construction Phase Services

1. M|P will prepare the necessary plans and specifications necessary to bid the project.
2. M|P will prepare the advertisement for submission to contractors, and will attend the pre-bid meeting (if necessary).
3. M|P will receive the bids, prepare certified bid tabulation, and make a recommendation of award to the Client.
4. M|P will review and approve all construction product submittals from the Contractor.
5. M|P will field and respond to construction “Request for Information” from Contractor.
6. M|P will review all applications for payment and provide approval.
7. M|P will perform periodic inspections of construction activities to assure engineered documents are being adhered to by the Contractor. One to Two Site inspections will be performed per week at a minimum of 2 hours per visit during the duration of the Construction. It is anticipated that the construction duration will be 150 days. Inspection logs will be prepared, including photographs, and will be provided to the Client. MP will utilize the Procore software platform to perfume all Construction Administration services
8. M|P will perform one (1) substantial completion inspection and provide a punch list for work items to the Contractor.
9. M|P will perform one (1) final inspection at the completion of the punch list items by the Contractor.

II. DESIGN FEE PROPOSAL

Task 1 A/E Services	
Architectural Services	= \$5,000
Civil Engineering	= \$10,000
Electrical Engineering	= \$5,000
Task 2 ** Bidding & Construction Phase Services (Not to exceed)	= \$7,500
Total Fee	\$ 27,500

*** Bid and CA services will be billed hourly with a NTE based on attached rate schedule*

III. ASSUMPTIONS

- Professional will provide Adobe PDF files to the Client.
- Survey will be provided in ACAD format prior to proceeding
- Site lighting will be provided by others
- Owner to provide approved concept plan prior to final design proceeding.

IV. EXCLUSIONS (available at additional cost or at M|P Standard Hourly and Reimbursement Schedule)

- Printing of documents (other than that stated in the assumptions)
- Shipping cost
- DMR or USCOE 404 Wetland Permitting
- Mechanical Engineering
- Landscape Architecture Design
- Irrigation Design
- Structural Engineering Design
- Permitting Fees

We appreciate the opportunity to provide our services and look forward to working with you on this project. Should you have any questions or comments, please do not hesitate to contact me.

Respectfully submitted,
Machado | Patano, PLLC
M|P Design Group, PLLC

Gerrod Kilpatrick, P.E.
Principal
