Recommendation:

No Action  Recommendation to protest the liquor license of 2652 Windmill Grille based on the lack of AB-29 and an incomplete AB-17.

Deny

Explain the reason(s) for a denial of the application:

The AB-17 application received by the State was incomplete and missing the AB-29 form. Without this information, the Committee would like to recommend protest until the application is complete.

The City Clerk will contact the the Alaska Alcohol and Marijuana Control Board and request a completed application with the missing AB-29 and a legible AB-17.

Once those materials are obtain the committee recommends waiving the right to protest liquor license of 2652 Windmill Grille.

OTHER:

**During the two year period that the license is in effect, state statute allows the local governing body to protest the continued operation of a license during the second year of the biennial license period. This may be done by sending both the Alcohol Marijuana and Control Board and the licensee a protest and the reason for the protest by January 31 of the second year of the license.**
