## Attachment B. Petroleum Fuel Bid

Furnish Petroleum Fuels – Period Covering November 1, 2026 – June 30, 2027  
and if a contract extension has been exercised as described in this bid proposal, extended for the next consecutive year, at the existing bid rates.

The furnishing and delivery of petroleum products shall be in accordance with the Invitation to Bid and Specifications for the term of the contract. The price per gallon shall include the entire supplier costs associated with providing petroleum fuels, storage, and delivery. **Bids may be provided for either No.1 & 2 Heating/Diesel and/or Unleaded Gasoline and/or Propane fuel types. Contract may be awarded to the lowest bid for diesel, gasoline or propane.**
