good morning:

i have received and reviewed the two (2) referenced appeals above. specifically, these appeals are of the assessed value of a 1971 cessna 185 - currently assessed at \$95,000-; and, a 1967 pa-32, currently assessed at \$139,000

noting the age, maintenance requirements, and current condition, i concur with your opinion of value(s).

therefore, it is my recommendation of the 1971 cessna 185 be adjusted from \$95,000- to \$75,000-; and the 1967 pa-32 be adjusted from \$139,000- to \$50,000-

after your review, i would appreciate your advisement as to whether you agree/disagree with the adjustments.

should you agree, i will consider the appeals resolved and remove them from further consideration by the board of equalization. should you disagree, i will forward the appeals to the board for their consideration and final determination.

thank you. i look forward to hearing from you soon.

sincerely,

arne erickson,
