Honorable Mayor Alice Ruby
City of Dillingham

Re: Nomination to the Wood-Tikchik State Park Management Council

Mayor Ruby

I would like to be considered for appointment to the WTSP Management Council.

I am a 39 year resident of Dillingham. From 1984 to 2017, I served as the Fisheries Biologist for the U.S. Fish and Wildlife Service Togiak National Wildlife Refuge.

I have been an active visitor to the Park for all those years as a subsistence and sport hunter and fisher. My family currently owns property adjacent to the Park. We are interested in future Park management and development issues.

I believe that my experiences and knowledge of local and Park issues will be helpful in discussion of Park Management actions, and I am willing to volunteer my time.

Thank you for your consideration

Mark Lisac
P.O. Box 818
