Dear Commissioner Anderson:

It has been an exciting year in Dillingham. This has been a great year for our fisheries and we're pleased at the progress on several capital projects. We look forward to also making progress on securing funding for other critical projects and several of those are transportation related.

On behalf of the City, I would like to extend an invitation to you to visit Dillingham in the near future. We would very much like to give you a tour of our harbor, the soon to be complete Downtown Streets project and others.

Looking forward to hearing from you. Thanks in advance.

Sincerely,
