

CITY OF DILLINGHAM, ALASKA

RESOLUTION NO. 2024-29

A RESOLUTION OF THE DILLINGHAM CITY COUNCIL ACCEPTING CREATING A PUBLIC EASEMENT FOR FUTURE UTILITIES.

WHEREAS, Nushagak Cooperative has identified buried electrical distribution lines that have become exposed at the Dillingham Boat Harbor, and

WHEREAS, the existing electrical distribution line supplies power to the City of Dillingham's Boat Harbor lights, and

WHEREAS, the existing easement is no longer viable as it has become unsafe for further use because of the erosion within the Dillingham Boat Harbor,

WHEREAS, re-routing of the buried electrical distribution line will require a utility easement from the electrical transformer near the NAPA Auto Parts Store to the harbor lights meter base, to protect the utility service by routing it in an area that is less susceptible to erosion, and

WHEREAS, this relocation of the existing distribution line is for health and safety of the citizens of Dillingham, and those who use and visit the Dillingham Boat Harbor, and

WHEREAS, the proposed utility easement will also benefit future development of the Dillingham Boat Harbor lots, and

NOW, THEREFORE, BE IT RESOLVED that the Dillingham City Council accepts creating a public easement as stated for future utilities.

APPROVED AND ADOPTED THIS 6th Day of June, 2024.

Alice Ruby, Mayor
