DO YOUR PART TO KEEP OUR HARBOR CLEAN!

- A healthy marine environment is up to all of us.
- Never dump or discharge treated or untreated sewage in the harbor or within 3 miles of shore.
- Maintain and use proper procedures for your marine sanitation device.
- Use onshore restrooms when available.

Report marine sanitary violations to the USCG National Response Center
800.424.8802

Report oil spills and other hazardous substances to DEC Spill Response
907.269.3060

Dillingham Harbormaster Office
907.842.1069
