RE: Letter of Commendation

Officer Douglas Johnson,

It has been brought to my attention by emergency medical responders that on June 21, 2024 at approximately 2037 hours you responded to a report of an individual who was not breathing and was in need of CPR near the senior apartment complex in Dillingham. You were off duty at the time of your response. You arrived on scene promptly and began life saving efforts. You continued CPR until the individual was able to breath on his own and continued to monitor him until care was turned over to responding ambulance personnel.

Your rapid and correct response to an emergency situation, speaks highly of your professionalism and ability and brings credit to both yourself and this department. Thank you.

Tracy O'Malley  
Chief of Police
