Recommendation:

No Action

Deny

Explain the reason(s) for a denial of the application:

OTHER:

During the two year period that the license is in effect, state statute allows the local governing body to protest the continued operation of a license during the second year of the biennial license period. This may be done by sending both the Alcohol Marijuana and Control Board and the licensee a protest and the reason for the protest by January 31 of the second year of the license.
