1. Why are you appealing your value? Check ONE and provide a detailed explanation below:

- My property value is excessive. (Overvalued)
My assessed value is unequal to similar property.
My property value was valued improperly. (Incorrectly)
My property has been undervalued.

2. You must provide specific reasons and provide information supporting the item checked above:

My property value assessed for 2023 is \$373,300 and in 2022 it was \$343,900 (an increase of \$29,400). I have made no improvements or changes that would justify this increase and would like an explanation of why there was such a substantial increase. I was informed by the City staff that there was a comprehensive increase for all residential property assessments but it's unclear to me how this happened with no explanation.
