1. Why are you appealing your value? Check ONE and provide a detailed explanation below:

- My property value is excessive. (Overvalued)
My assessed value is unequal to similar property.
My property value was valued improperly. (Incorrectly)
My property has been undervalued.

2. You must provide specific reasons and provide information supporting the item checked above:

This is a multi-family residence which makes is difficult to find comparable sales in the region. This property has not improved in value, and has in fact decreased, since the last assessment. Furthermore, visual inspection of the building shows considerable damage due to weather. The quote we obtained to replace the siding and windows is \$80,000. These repair costs significantly lower the property value as-is. We agree that the land value is correctly assessed.
