STAFF REPORT

During the month of June, the Senior Center served 589 home delivered meals to 42 individuals. Our ride service is still suspended at this time.

While I was on leave, John, and Kathy did great running the Senior Center, they kept our meal program going smoothly and elders continued to be served. Thank to Nadia Sifsof for helping our cook prepare fruit and deserts every morning. Other than our meal program it has been a pretty quiet summer.

We are hoping to re-open our ride service for the elders later in August. We will have protocols to maintain safety, including mask use on the van and an increased sanitizing routine for the van.

Our front doors have some issues needing repair that cause a fire escape issue. Once our front doors are repaired, we also plan to re-open the Center to the public. The elders are looking forward for us coming back to the Center to socialize.
