

RESOLUTION 2023-03

A RESOLUTION OF THE DILLINGHAM PLANNING COMMISSION

Adopt Resolution 2022-03; A Resolution of the Dillingham Planning Commission Providing an Easement to Unicom, Inc. for the Airraq Network Project

WHEREAS, the Airraq Network Project is a combined project of the Bethel Native Corporation and Unicom Inc, a wholly owned subsidiary of GCI., and

WHEREAS, the easement has been assessed by Unicom Inc. and is thought to be the most affective landing area for the Fiber Optic Cable that will run from Bethel and surrounding communities, down to Platinum, then down to Dillingham, and

WHEREAS, The City of Dillingham has allowed a Land Entry Permit dated 5/31/2023 which will assist a nearby communities with Broadband connection promoting Safety, Communication, and improve educational opportunities for their communities (attached is the Right of Entry Permit, to conduct the archaeological report), and

WHEREAS, USS 66 was gifted to the City of Dillingham by Bristol Bay Canning Company on November 14, 1892 date, and

THEREFORE, BE IT RESOLVED that the Dillingham Planning Commission does recommend the granting of an easement as requested by Unicom Inc for future installment of Fiber Optic Cable.

APPROVED AND ADOPTED THIS 9th DAY OF November 2023.

Kaleb Westfall, Chair

Patty Buholm, Planning Director
