

March 25, 2026

Mayor and City Council Members:

On behalf of the Dillingham Friends of the Landfill, I would encourage support for Resolution 2026-11 declaring a community cleanup event in May. This long-running annual event has become a staple of spring in Dillingham. Community members, businesses, and organizations take pride in cleaning up roadsides and other public areas prior to the summer season when we are on display for many visitors from far and wide. As a community that ties its association so closely to the natural environment, it also provides an opportunity to stop refuse from making its way into streams, lakes and the general landscape. This cleanup event provides another opportunity for the community to come together for a common goal. Please provide your support for this resolution.

Paul Liedberg
Chair, Friends of the Landfill
