For the record, this meeting was held at a different location than City Hall at the request of the Mayor because she deemed the council chambers unfit for the meeting to follow. Plenty of community notice was given for the change of location and the meeting was even publicized to the community by the local radio station. The alternate location chosen was a public location and was open to any member of the public who wished to attend the meeting. The agenda was posted to the website and around town on 12/05/2024.
