Article 4. Equal Employment Opportunity.

- 4.1 The contractor may not discriminate against any employee or applicant for employment because of race, religion, color, national origin, or because of age, disability, sex, marital status, changes in marital status, pregnancy or parenthood when the reasonable demands of the position(s) do not require distinction on the basis of age, disability, sex, marital status, changes in marital status, pregnancy, or parenthood. The contractor shall take affirmative action to insure that the applicants are considered for employment and that employees are treated during employment without unlawful regard to their race, color, religion, national origin, ancestry, disability, age, sex, marital status, changes in marital status, pregnancy or parenthood. This action must include, but need not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The contractor shall post in conspicuous places, available to employees and applicants for employment, notices setting out the provisions of this paragraph.
- 4.2 The contractor shall state, in all solicitations or advertisements for employees to work on State of Alaska contract jobs, that it is an equal opportunity employer and that all qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, age, disability, sex, marital status, changes in marital status, pregnancy or parenthood.

- 4.4 The contractor shall include the provisions of this article in every contract, and shall require the inclusion of these provisions in every contract entered into by any of its subcontractors, so that those provisions will be binding upon each subcontractor. For the purpose of including those provisions in any contract or subcontract, as required by this contract, "contractor" and "subcontractor" may be changed to reflect appropriately the name or designation of the parties of the contract or subcontract.
- 4.5 The contractor shall cooperate fully with State efforts which seek to deal with the problem of unlawful discrimination, and with all other State efforts to guarantee fair employment practices under this contract, and promptly comply with all requests and directions from the State Commission for Human Rights or any of its officers or agents relating to prevention of discriminatory employment practices.

Article 5. Termination.

The Project Director, by written notice, may terminate this contract, in whole or in part, when it is in the best interest of the State. In the absence of a breach of contract by the contractor, the State is liable only for payment in accordance with the payment provisions of this contract for services rendered before the effective date of termination.

Article 6. No Assignment or Delegation.

The contractor may not assign or delegate this contract, or any part of it, or any right to any of the money to be paid under it, except with the written consent of the Project Director and the Agency Head.

Article 7. No Additional Work or Material.

No claim for additional services, not specifically provided in this contract, performed or furnished by the contractor, will be allowed, nor may the contractor do any work or furnish any material not covered by the contract unless the work or material is ordered in writing by the Project Director and approved by the Agency Head.

Article 8. Independent Contractor.

The contractor and any agents and employees of the contractor act in an independent capacity and are not officers or employees or agents of the State in the performance of this contract.

Article 9. Payment of Taxes.

As a condition of performance of this contract, the contractor shall pay all federal, State, and local taxes incurred by the contractor and shall require their payment by any Subcontractor or any other persons in the performance of this contract. Satisfactory performance of this paragraph is a condition precedent to payment by the State under this contract.

Article 10. Ownership of Documents.

All designs, drawings, specifications, notes, artwork, and other work developed in the performance of this agreement are produced for hire and remain the sole property of the State of Alaska and may be used by the State for any other purpose without additional compensation to the contractor. The contractor agrees not to assert any rights and not to establish any claim under the design patent or copyright laws. Nevertheless, if the contractor does mark such documents with a statement suggesting they are trademarked, copyrighted, or otherwise protected against the State's unencumbered use or distribution, the contractor agrees that this paragraph supersedes any such statement and renders it void. The contractor, for a period of three years after final payment under this contract, agrees to furnish and provide access to all retained materials at the request of the Project Director. The contractor may not add additional or different terms to this contract; AS 45.02.207(b)(1). The contractor specifically acknowledges and agrees that, among other things, provisions in any documents it seeks to append hereto that purport to (1) waive the State of Alaska's sovereign immunity, (2) impose indemnification obligations on the State of Alaska, or (3) limit liability of the contractor for acts of contractor negligence, are expressly superseded by this contract and are void.

Article 13. Officials Not to Benefit.

Contractor must comply with all applicable federal or State laws regulating ethical conduct of public officers and employees.

Article 14. Covenant Against Contingent Fees.

The contractor warrants that no person or agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee except employees or agencies maintained by the contractor for the purpose of securing business. For the breach or violation of this warranty, the State may terminate this contract without liability or in its discretion deduct from the contract price or consideration the full amount of the commission, percentage, brokerage or contingent fee.

Article 15. Compliance.

In the performance of this contract, the contractor must comply with all applicable federal, state, and borough regulations, codes, and laws, and be liable for all required insurance, licenses, permits and bonds.

Article 16. Force Majeure:

The parties to this contract are not liable for the consequences of any failure to perform, or default in performing, any of their obligations under this Agreement, if that failure or default is caused by any unforeseeable Force Majeure, beyond the control of, and without the fault or negligence of, the respective party. For the purposes of this Agreement, Force Majeure will mean war (whether declared or not); revolution; invasion; insurrection; riot; civil commotion; sabotage; military or usurped power; lightning; explosion; fire; storm; drought; flood; earthquake; epidemic; quarantine; strikes; acts or restraints of governmental authorities affecting the project or directly or indirectly prohibiting or restricting the furnishing or use of materials or labor required; inability to secure materials, machinery, equipment or labor because of priority, allocation or other regulations of any governmental authorities.

**ALASKA DEPARTMENT OF CORRECTIONS
CONTRACT FOR REGIONAL AND COMMUNITY JAILS SERVICES
July 1, 2024 through June 30, 2025**

**Appendix C
General Terms**

Parties

The parties to this contract are the Alaska Department of Corrections, and the Borough/City of Dillingham, herein referred to as the "Borough/City".

1. Services

Provide short-term Regional and Community Jail confinement of persons held under **State** law.

This is a contract for the Borough/City to operate a jail facility and hold prisoners in accordance with this contract and The Standards for Jail Operations adopted by the Governor's Task Force on Community Jails (November 18, 1994 edition), hereafter referred to as "The Standards".

The Standards and the final report of the Governor's Task Force are attached as Appendix E to this contract. As adopted by the Governor's Task Force, and as explained in the Document, Chapter 13, sec. 13.05 of Appendix E, these standards were not, and are not, intended to be used in any legal proceeding to establish a "duty of care", or evidence of a legal duty to any person or entity. Rather, these standards were and are intended:

- a. as a statement of professional goals to be achieved;
- b. to promote recognition of needed improvements, both as to facilities and operations;
- c. to promote efficiency; and
- d. to encourage professionalism in the operations of Alaska jails.

Please note that an updated version of The Standards is currently under review and may be issued during this fiscal year. As such, please continue to abide by the current Standards.

As used in this contract, "Community Jail Administrator", "DOC Oversight Officer" and "State Regional & Community Jail Coordinator" has the meaning given in Chapter 13 of The Standards.

As used in this contract, "prisoner" has the meaning given in AS 33.30.901(12), and specifically excludes persons detained under authority of AS 47. This contract allows the Borough/City to hold persons detained under AS 47 in its jail facility, however the Department is authorized to, and will not, compensate the Borough/City for any direct or indirect costs related as AS 47 detainees, including medical or transportation costs.

2. Sole Agreement

This contract is the sole agreement between the parties relating to jail services. There are no other agreements, express or implied. This contract represents the Department's sole obligation for payment for the care and custody of prisoners held at the jail participating in the Regional and

Community Jails Program during the term of the contract. It is the intention of the parties that no other sums will be billed to or owed by the Department for jail services.

3. Effective Date/Termination/Amendments

This contract is effective **July 1, 2024** and continues in force through **June 30, 2025** except that it may be terminated by either party upon ninety (90) days written notice from the terminating party. This will be a one-year contract.

Contract amendments for additional work can be incorporated through appendices or attachments mutually agreed upon and signed by both parties.

4. Responsibilities of the Parties

General Responsibilities of the Borough/City

The Borough/City Shall

- a. Immediately notify the Department of Corrections Jail Administrator of any facility operational or security issues relating to the jail operations that directly impact the care and confinement of prisoners as outlined and required under the Jail Standards. - e. Protect prisoner property by taking proper precautions and providing the necessary policies and procedures to protect the property from loss or destruction.

The Borough/City shall not be entitled to reimbursement for immediate medical services provided to such a person. The Borough/City shall provide necessary medical care for prisoners accepted into the facility under this contract and shall be entitled to reimbursement by the Department for the cost of such care, per Section C6 of this contract.
- g. Immediately notify the Department of Corrections, the nearest post of the Alaska State Troopers, and any police agencies in the general vicinity of the jail facility if a prisoner escapes or leaves the premises of the facility without authority. The Borough/City shall make every reasonable effort to return the prisoner to the facility without cost to the Department of Corrections as long as there are reasonable grounds to believe the

prisoner is within the Borough/City limits.

- h. Adopt and enforce rules concerning smoking by prisoners and staff consistent with State statutes and regulations, keeping in mind the health and welfare of all prisoners and staff personnel.
- i. These prisoner records must be in a prisoner's file when they are transferred from the Regional and Community Jail facility to another state correctional facility.
- j. Immediately, but, in no event more than 24 hours following receipt of notice, report to the Department of Corrections all claims concerning the jail facility that could foreseeably affect the legal liability of either party to this contract and cooperate with the Department of Corrections in the defense and/or settlement of the claim.
- k. Purchase and maintain in force at all times during the performance of services under this agreement the policies of insurance listed in the contract. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the Borough's/City's policy contains higher limits, the State shall be entitled to coverage to the extent of such higher limits.
- l. Certificates of Insurance must be furnished to the contracting officer prior to beginning work and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds for termination of the Borough's/City services. All insurance policies shall comply with and be issued by insurers licensed to transact the business of insurance under AS21.
- m. The Borough/City shall provide and maintain, for all employees engaged in work under this contract, coverage as required by AS 23.30.045, and where applicable, any other statutory obligations including but not limited to Federal U.S.L.&H. and Jones Act requirements. This policy must waive subrogation against the state. The Borough/City shall be responsible for ensuring that any subcontractor who directly or indirectly provides services under this contract will maintain Worker's Compensation Insurance.
- n. Provide and maintain comprehensive general liability insurance, with a combined single limit per occurrence of not less than \$1,000,000.00 covering activities associated with or arising out of this contract, to include jail keeper's legal liability coverage. The State shall be added as an additional insured under such policies. The Borough/City shall be solely responsible for the payment of claims or losses to the extent they fall within the deductible amount of such insurance. This insurance shall be primary to any other insurance or self-insurance carried by the State.
- o. Hold that the Borough/City shall indemnify, hold harmless, and defend the contracting agency from and against any claim of, or liability for error, omission or negligent act of the Borough/City under this agreement up to the Borough/City policy limits as noted in Section 4(m). The Borough/City shall not be required to indemnify the contracting

agency for a claim of, or liability for, the independent negligence of the contracting agency. If there is a claim of, or liability for, the joint negligent error or omission of the Borough/City and the independent negligence of the Contracting agency, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis. "Borough/City" and "Contracting agency", as used within this and the following article, include the employees, agents and other Borough/City who are directly responsible, respectively, to each. The term "independent negligence" is negligence other than in the Contracting agency's selection, administration, monitoring, or controlling of the Borough/City and in approving or accepting the Borough/City work.

- p. Provide and maintain comprehensive automobile liability insurance, covering all owned, hired and non-owned vehicles used during the provision of services under this contract with coverage limits not less than \$100,000.00 per person, \$300,000.00 per occurrence bodily injury and \$50,000.00 property damage.

- d. Obtain approval from the Department before incurring liability for medical care which reimbursement is sought, except in the case of emergency care that must be provided to the prisoner before approval from the Department of Corrections can be obtained. The Borough/City shall make a reasonable effort to obtain approval from the Department of Corrections and shall promptly, but in no event later than the next working business day, notify the Department of Corrections of any emergency for which medical care was provided before such approval could be obtained. Approval from the Department of Corrections will not be unreasonably withheld.

 - (1) a copy of the medical bill with the prisoner's name and a description of the services rendered,

Supervision must be adequate to prevent escapes, prevent inappropriate contact with others, prevent possession of contraband and provide security for the prisoner and the public.
- b. The Borough/City shall immediately notify the Department of Public Safety to request that a prisoner be transferred from the facility to one outside of local boundaries because;

- (1) a court has ordered the transportation;
 - (2) the prisoner has been incarcerated in the facility for 20 consecutive days, unless a court has ordered that the prisoner remain in the facility or the prisoner has signed a written waiver requesting to remain in the facility; or
 - (3) the Regional and Community Jail Administrator believes a transfer is necessary for security or population management reasons.
- c. The Borough/City shall continue to hold prisoners, notwithstanding the existence of grounds for a transfer, until the Department of Public Safety arranges transportation for the prisoner.
 - d. The City shall, when the prisoner leaves the facility, furnish the transporting officer with the prisoner's file described in paragraph 4h of this agreement.

8. Sentenced Electronic Monitoring

The Borough/City has the option to use electronic monitoring. If the Borough/City is interested in electronic monitoring, please contact DOC to coordinate an Amendment to this contract and utilization of the DOC BI, Inc. Electronic Monitoring contract.

Sentenced Electronic Monitoring:

The Department will provide additional funds if the Borough/City will take Sentenced EM placements and supervise them. The Department will provide \$10,000 for the first 1-5 prisoners and \$5,000 for each additional 5 prisoners annually. If a Borough/City has any number between 1-5 at any given time during a fiscal year, example 7/1/24 through 6/30/25, they will receive the full \$10,000. If the Borough/City exceeds 5 and has any number between 6-10, they will receive the full \$5,000, for any number between 11-15 at any given time during the fiscal year they will receive another \$5,000 in full and so on for each additional 5 Sentenced EM placements, they will receive another \$5,000.

To further illustrate, by way of example, if a Borough/City had for any particular month in a fiscal year 26 Sentenced EM placements they would receive \$35,000 for that fiscal year. The breakdown of the \$35,000 is: 1-5 Sentenced EM \$10,000 + 6-10 Sentenced EM \$5,000 + 11-15 Sentenced EM \$5,000 + 16-20 Sentenced EM \$5,000 + 21-25 Sentenced EM \$5,000 + 26th Sentenced EM \$5,000 = a total of \$35,000.

If a Borough/City elects to participate in the Sentenced Electronic Monitoring they will automatically receive \$10,000 and it will be added to Appendix D. If at any time throughout the contract they exceed 5 Sentenced EM placements, they will receive an additional \$5,000 for each additional 5 Sentenced EM placements. The Department is not going to prorate this by day or period of time, it will add the additional \$5,000 for every additional 5 Sentenced EM placements when either notified by the Borough/City through their monthly count sheets or the DOC recognizes the additional Sentenced EM placements on the monthly count sheets. The DOC will exercise a unilateral amendment and automatically add the funds to their contract. The unilateral amendment will be used to expedite the

amendment process for both parties, only as it applies to this Section 8 Sentenced Electronic Monitoring.

If a prisoner has been sentenced and only has 20-30 days they can go to Sentenced EM, stay in their community and not have to be housed in the jail or transported out of their community to a prison. If prisoners on Sentenced EM run away or violate the conditions of their EM placements, they will go to prison.

Most defendants on EM will be moderate or high-risk defendants, but low-risk defendants may also be placed on EM with court orders. EM also requires monitoring of the system and response to EM alarms and alerts. This can be accomplished in a variety of ways, such as EM monitoring by DOC staff, monitoring by Community Jail staff, or monitoring by local dispatchers, who will then contact local providers, Police Departments (PDs), for response to alerts and alarms. Defendants placed on EM may require occasional action such as notification to the court for those in violation of release conditions. Coordination for arrests may also be required for defendants who are in violation. Community and Regional Jails will not charge pretrial defendants a fee for EM services.

Documentation of all contacts and pretrial actions with defendants must be entered in the ACOMS software application to ensure proper and complete records are maintained. It may be necessary to file reports and paperwork through the court in the event of violations.
