### STAFF REPORT

---

- The corrections division continues to be understaffed. We are down to only to COs (*40% staffing level*). The majority of the time there is no CO on-duty and the inmates are being watched by police officers and dispatchers. This is not an ideal situation, opens us up to liability, but we do the best we can we the resources we have.
- We have started union negotiations with the Public Safety Employees Association (*PSEA*).
- We recruiting statewide and nationally for two rotational officer positions.
- *April 6, 2022 was my 30<sup>th</sup> anniversary working for the Dillingham Police Department. I spent my first 10 years as a police officer. The next 10 years as a police sergeant. My last 10 years have been spent as Chief of Police.*  
*May 1, 2022 is the date that my current three year police chief contract extension expires. I have decided that after reaching the 30 year milestone I do not wish to ask for another contract extension and will retire.*  
*I have enjoyed being the police chief. The city of Dillingham has been fair and good to me. I genuinely care about the public safety department and the community. I have had the privilege of being in a position where I could try and make Dillingham a better and safer place. I will miss my job.*
