STAFF REPORT

During the month of January, the Senior Center served 140 home delivered meals to 8 individuals, and 351 congregate meals to 31 individuals. Our ride service is still suspended at this time, but we hope to start giving assisted rides again as soon as our larger van is back in service.

We had nine renters in the month of January.

We hosted a Community Support Program gathering from BBAHC Dental from 10:30-11:30. It was good information for our elders. The topic was dental hygiene, how it relates to health, and any question the elders had were answered.

Courtenay Carty donated whole case of salmon fillets for the Senior Center. Her gift to the elders is very much appreciated. It will provide for a number of great lunches!
