Project Name: Dillingham Aerated Lagoon Facility Improvements – Cost Proposal 001 Option 2

Mike,

Per your request, we are submitting the following cost proposal for revising the fence layout and pad layout per attached Option 2. See attached sketches for clarification.

UOSS PROJECT SPECIFIC INCLUSIONS AND ASSUMPTIONS

1. Labor and equipment to perform the civil scope of work including the 15'x40' pad and additional fill areas as shown on the sketched layout.
2. Labor and equipment for installation of approximately 12lf of additional fencing.
3. Labor and equipment to add an additional 18' gat to the fencing.
4. Labor and equipment to install gate pole with concrete per original drawing details.
5. Shipping of additional fencing and gate to jobsite via barge.
6. Performance and payment bonds.
7. Prevailing wages for employees.

UOSS PROJECT SPECIFIC EXCLUSIONS

1. Air freight if this cost proposal does not get approved in time for meet the Anchorage Barge.
2. Excluded extending the size of the lagoon liner.
