good afternoon abigail!

i have spoken with ms. karen brito regarding the taxation off aircraft and other points of discussion. at present, ms. brito should have only tax liability for the 1961 Pacer aircraft which she reported on her filed 2026 personal property assessment return. it is documented that other aircraft were incorrectly included in the assessments as they have long been destroyed.
thank you,

arne

Hi Isaac,

Martins and Arnie are requesting copies of Karen Brito and Eric Shade's Personal Property Return for 2026. Could you please send it to me so I can send it to them? It looks like this:
