Summary Statement.

The Library Board had recommended some changes to the library code, which were then added to the Code Committee's to do list. As a result of examining the recommendations, the Code Review Committee discussed the differences between the Library Board and the Friends of the Library, and advised recreating the Library Board as an advisory board to bring it more in line with the committee process.

The Library Advisory Board follows the parameters adopted in Ordinance No. 2010-08, June 2010, establishing future advisory boards and commissions.

The Code Review Committee is recommending to the Council that this resolution be adopted.
