Dear Barry:

As a registered Municipal Advisor, we are required by Municipal Securities Rulemaking Board (MSRB) Rules to provide you with certain written information and disclosures prior to, upon or promptly, after the establishment of a municipal advisory relationship as defined in Securities and Exchange Act Rule 15Ba1-1. To establish our engagement as your Municipal Advisor, we must inform you that:

1. When providing advice, we are required to act in a fiduciary capacity, which includes a duty of loyalty and a duty of care. This means we are required to act solely in your best interest.
2. We have an obligation to fully and fairly disclose to you in writing all material actual or potential conflicts of interest that might impair our ability to render unbiased and competent advice to you. We are providing these and other required disclosures in **Appendix A** attached hereto.

As your Municipal Advisor, Ehlers shall provide this advice and service at such fees, as described within **Appendix B** attached hereto.

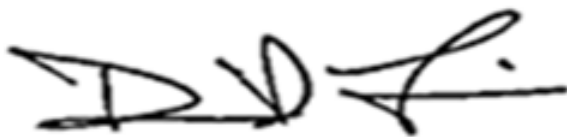

This documentation and all appendices hereto shall be effective as of its date unless otherwise terminated by either party upon 30 days written notice to the other party.

During the term of our municipal advisory relationship, this writing might be amended or supplemented to reflect any material change or additions.

We look forward to working with you on this Project.

Sincerely,

Ehlers & Associates

Appendix A

DISCLOSURE OF CONFLICTS OF INTEREST/OTHER REQUIRED INFORMATION

Actual/Potential Material Conflicts of Interest

Ehlers has no known actual or potential material conflicts of interest that might impair its ability either to render unbiased and competent advice or to fulfill its fiduciary duty to Client.

Other Engagements or Relationships Impairing Ability to Provide Advice

Ehlers is not aware of any other engagement or relationship Ehlers has that might impair Ehlers' ability to either render unbiased and competent advice to or to fulfill its fiduciary duty to Client.

Affiliated Entities

Ehlers offers related services through two affiliates of Ehlers, Bond Trust Service Corporation (BTSC) and Ehlers Investment Partners (EIP). BTSC provides paying agent services while Ehlers Investment Partners (EIP) provides investment related services and bidding agent service. Ehlers and these affiliates do not share fees. If either service is needed in conjunction with an Ehlers municipal advisory engagement, Client will be asked whether or not they wish to retain either affiliate to provide service. If BTSC or EIP are retained to provide service, a separate agreement with that affiliate will be provided for Client's consideration and approval.

Solicitors/Payments Made to Obtain/Retain Client Business

Ehlers does not use solicitors to secure municipal engagements; nor does it make direct or indirect payments to obtain or retain Client business.

Payments from Third Parties

Ehlers does not receive any direct or indirect payments from third parties to enlist Ehlers recommendation to the Client of its services, any municipal securities transaction or any financial product.

Payments/Fee-splitting Arrangements

Ehlers does not share fees with any other parties and any provider of investments or services to the Client. However, within a joint proposal with other professional service providers, Ehlers could be the contracting party or be a subcontractor to the contracting party resulting in a fee splitting arrangement. In such cases, the fee due Ehlers will be identified in a Municipal Advisor writing and no other fees will be paid to Ehlers from any of the other participating professionals in the joint proposal.

Municipal Advisor Registration

Ehlers is registered with the Securities and Exchange Commission (SEC) and Municipal Securities Rulemaking Board (MSRB).

Material Legal or Disciplinary Events

Neither Ehlers nor any of its officers or municipal advisors have been involved in any legal or disciplinary events reported on Form MA or MA-I nor are there any other material legal or disciplinary events to be reported. Ehlers' application for permanent registration as a Municipal Advisor with the (SEC) was granted on July 28, 2014 and contained the information prescribed under Section 15B(a)(2) of the Securities and Exchange Act of 1934 and rules thereunder. It did not list any information on legal or disciplinary disclosures.

Client may access Ehlers' most recent Form MA and each most recent Form MA-I by searching the Securities and Exchange Commission's EDGAR system (currently available at <http://www.sec.gov/edgar/searchedgar/companysearch.html>) and searching under either our Company Name (Ehlers & Associates, Inc.) or by using the currently available "Fast Search" function and entering our CIK number (0001604197).

Ehlers has not made any material changes to Form MA or Form MA-I since that date.

Conflicts Arising from Compensation Contingent on the Size or Closing of Any Transaction

The forms of compensation for municipal advisors vary according to the nature of the engagement and requirements of the client. Compensation contingent on the size of the transaction presents a conflict of interest because the advisor may have an incentive to advise the client to increase the size of the securities issue for the purpose of increasing the advisor's compensation. Compensation contingent on the closing of the transaction presents a conflict because the advisor may have an incentive to recommend unnecessary financings or recommend financings that are disadvantageous to the client. If the transaction is to be delayed or fail to close, an advisor may have an incentive to discourage a full consideration of such facts and circumstances, or to discourage consideration of alternatives that may result in the cancellation of the financing or other transaction.

Any form of compensation due a Municipal Advisor will likely present specific conflict of interests with the Client. If a Client is concerned about the conflict arising from Municipal Advisor compensation contingent on size and/or closing of their transaction, Ehlers is willing to discuss and provide another form of Municipal Advisor compensation. The Client must notify Ehlers in writing of this request within 10 days of receipt of this Municipal Advisor writing.

Appendix B

Scope of Service

Client has requested that Ehlers & Associates to prepare a Financial Management Plan (“Project”). Ehlers & Associates proposes and agrees to provide the following scope of services:

Confirm Planning Objectives

- Prior to commencing the work, we will review our approach with Client staff to ensure that we have a full understanding of the Client’s objectives, any areas of concern or focus, and desired process outcomes. If necessary, we can modify our Scope of Services to meet specific Client needs.

Gather Required Information

- To complete our work, we will need to gather certain information which may include prior year audits and budgets (generally five years); current year budget; capital improvement plans; existing debt service schedules and allocations; strategic planning documents; staffing plans; and policies pertaining to fund balance, debt management; post-issuance compliance and financial management (Ehlers & Associates may already have some or all this information on file).

Prepare Financial Model

- Based on the Client’s objectives and the information available, we will prepare a Client-specific Excel based financial planning model that includes:
 - **Credit Profile Evaluation.** An assessment of selected financial, debt and demographic indicators will be prepared comparing Client to the Statewide median indicators for its rating peer group, and to other governmental entities of comparable size or location. If applicable, the assessment will also include a comparison with the medians of the next higher rating classification and to representative governmental entities in that class. Analysis will be provided to identify areas of strength and potential weakness in the Client’s credit profile.
 - **Valuation Forecast.** We will project growth in equalized value based on historical valuation trends, and anticipated potential for and timing of new development based on Client input. If applicable, “TID IN” and “TID OUT” forecasts will be provided. The impact of TID closure will be considered based on Client direction. One or more potential growth scenarios may be modeled based on Client’s objectives.

- **Fund Forecasts.** We will forecast revenues and expenditures for the following funds based on prior year budgetary trends. Based on the Client's objectives and the information available to us, one or more alternate fund forecasts may be developed to reflect adjustments to service levels and staffing. All other levy funds will be included in the overall tax levy charts. Detail analysis will occur for the following funds:
 - General Fund
 - Debt Service Fund
 - Capital Improvement Fund
 - Tax Increment District No. 3

- **Capital Planning Model.** Using Client's capital improvement plans, we will prepare one or more models identifying funding sources for identified projects. Fund balances, tax levy, debt proceeds, and annual revenues will be evaluated as funding sources.

- **Debt Model.** We will prepare a current debt service schedule including projected debt abatement sources and tax levy requirements. To the extent that debt financing is required for capital improvement projects, the projected impact of that financing will be modeled. The model will also forecast debt limit capacity utilization and the projected impact of future debt obligations on selected debt profile indicators (for General Obligation debt).

- **Consolidated Tax Levy and Rate Projection Model.** A summary forecast will be provided projecting the future tax levy that would be required to support the General Fund, Capital Projects Fund, Debt Service Fund, and other levy supported funds. Based on the valuation projection model, a forecasted equalized tax rate will be provided. Future levy requirements will be tested against applicable levy and rate limits. A similar summary forecast will be provided for any enterprise funds included in the model and will include a projection of any additional revenue requirements needed to support the forecast.

Conduct Governing Body Workshops

- Workshops will be conducted concurrent with development of the financial model. The number of workshops will depend upon the City's needs. Three workshops are included in this quote. The purpose of the workshops will be to present key data, observations, findings, alternatives, and recommendations, and to seek input of Governing Body members and key staff at periodic intervals before the model is finalized. Specific workshop dates, and the points at which they occur in the process, will be established in consultation with the Client based on the objectives of Client, the availability of the Governing Body and key staff, and the availability of information needed to complete the plan. Workshops are generally more effective when held independent of other Governing Body meetings.

Final Report

- Following completion of the model and workshops, we will prepare a PowerPoint summary report that includes and explains all primary elements of the forecast model. The report will include a summary of key observations and recommendations. If applicable, we will recommend modifications to existing Client policies pertaining to fund balance, debt management, post-issuance compliance and financial management.

Compensation

In return for the services set forth in the “Scope of Service,” Client agrees to compensate Ehlers & Associates in the amount of \$15,000. Additional workshops, above the meetings included in the proposal above, will be charged on an hourly basis at \$250 per hour.

For any service directed by Client and not covered by this, or another applicable Appendix, Ehlers & Associates will bill Client at an hourly rate that is dependent upon the task/staff required to meet Client request at no less than \$125.00/hour and not to exceed \$350.00/hour.

Payment for Services

For all compensation due to Ehlers & Associates, we will invoice Client for the amount due at the completion of the work. Our fees include our normal travel, printing, computer services, and mail/delivery charges. The invoice is due and payable upon receipt by the Client.
