IMPROVEMENTS:**

SUBJECT: COUNCIL MEMBER APPOINTMENT for WARD 5.

EXECUTIVE SUMMARY:

Pursuant to City Charter Article II, Section 13 (B): In case of a vacancy, for whatever reason, in the Council, the remaining members, including the mayor, shall, by a majority vote, select a qualified person from the Ward in which the vacancy occurs. The vacancy in the Council shall be filled within thirty-one days, but not less than fifteen days from the date of the vacancy. The appointed Councilman shall serve until the next general election, or until his successor shall have been qualified.

BACKGROUND:

Former Council Member Michael Baldenegro resigned on August 22, 2025. The City Clerk's office initiated the process of issuing public notice to seek qualified candidates to fill the Ward 5 seat vacancy. This notice was also shared on the city's social media channels and publish in the Herald Review on August 27, 2025.

Letters of interest were collected at the City Clerk's office until 5:00 p.m. on Thursday, September 4, 2025, resulting in the receipt of one submission.

The Mayor and Council have scheduled a special meeting on September 10, 2025, to conduct an interview with the candidate and possibly fill the vacancy.

DISCUSSION:

City Charter Article II, Section 13 C, states that if the vacated council seat has in excess of two years remaining in its term, the appointed councilman shall serve until the next election. After the election, the elected councilmember will serve the remainder of the term created by the vacancy.
