**SUBJECT:** **COUNCIL MEMBER APPOINTMENT for WARD 3.**

---

**EXECUTIVE SUMMARY:**

Pursuant to City Charter Article II, Section 13 (B): In case of a vacancy, for whatever reason, in the Council, the remaining members, including the mayor, shall, by a majority vote, select a qualified person from the Ward in which the vacancy occurs. The vacancy in the Council shall be filled within thirty-one days, but not less than fifteen days from the date of the vacancy. The appointed Councilman shall serve until the next general election, or until his successor shall have been qualified.

**BACKGROUND:**

Former Council Member Danya Acosta resigned on December 10, 2025. The City Clerk's office initiated the process of issuing public notice to seek qualified candidates to fill the Ward 3 seat vacancy. This notice was also shared on the city's social media channels and published in the Herald Review on December 17, 2025.

Letters of interest were collected at the City Clerk's office resulting in the receipt of three submissions.

The Mayor and Council have scheduled a special meeting on January 7, 2026, to conduct interviews with the candidate and possibly fill the vacancy.

**DISCUSSION:**

City Charter Article II, Section 13 C, states that if the vacated council seat has in excess of two years remaining in its term, the appointed councilman shall serve until the next election. After the election, the elected councilmember will serve the remainder of the term created by the vacancy.
