Role Model: POW/ Mia for 70 years

    Contributions to the City of Douglas enlisted in the US Army who ultimately sacrificed his life and was held as a P.O.W

    By naming a park. Facility, playground etc in hands of SFC Vejar, he will always be remembered as a person who save his life, So that we all may have our freedom! Henceforth many generations will know of this hero and what he did for our country as ewell for our City of Douglas.

    We must Remember and Never Forget our local hero SFC Vejar for his bravery, honor and sacrifice of representing our City of Douglas. More importantly by naming some type of memorial in his honor, our future generations will alway have the honor to honor their own local hero SFC Vejar. Jis life will always live on with his own plaque that is visible by everyone who reads and visits SFC Vejor' proposed memorial.

    As America always honors its "American Hero, SGT. Audie Murphy", we as Douglas citizens and city leaders should do the same for our own. :Local American Hero SFC Vejar, who is now home, accounted for and resting with his parents who suffered for many, many years not know what happened to their precious loved one, their own hero SFC. Vejar.

    So on behalf of the Vejar Family, surviving siblings, extended family and relatives, and myself Leslie Pollard. I hope tat you as our elected officials and leaders of the City of Douglas Pass the resolution in the honor of SFC Vejar.

    As an army veteran myself, we have a very meaningful saying "Old Soldiers Never die, We just Fade Away".

    So we must never let SFC Vejar legacy fade away. Especially for future generations of the City of Douglas, AZ

    Once again on behalf of the vejar family as well as myself I want ti thank out city council, mayor and the constituents of Douglas for the time, understanding on this very important manner and proposed resolution. Thank you

    Respectfully,
    Leslie Pollard

PS: If passed would love to have a dedication on memorial day 2022.
